

Hello All,

I hope you are as excited as I am about our next photo group shoot to the Stahl's Museum on Saturday, February 7th. In addition to the fabulous collection of 80+ cars on exhibit in the main museum, we will have the opportunity to be one of the first groups to see an additional collection of classic autos housed in a second warehouse.

The main Stahl's museum opens at 11 a.m. Several of us plan on being there around 11. For those who have never had the opportunity to visit this museum, I urge you to arrive at least by noon so you have time to roam around and take photos in the main museum. Here is a sneak peek: [Home - Stahls Motor and Music Experience](#). Park in the visitor's parking lot which is now on the South Side of the building. All visitors are asked to sign in using a kiosk located in the lobby. You only need to supply your name, email address and phone number.

At 1 o'clock ALL members should meet in the lobby. Please be prompt because at that time we will return to our cars and follow a Stahl's volunteer to the second warehouse building, located about a block away. We will park our cars there and have ONE HOUR to photograph these yet-to-be on display cars.

After one hour, we will wrap things up and members can either return to building one to take more photos or join the group for an afternoon meal at Hamlin Pub on Gratiot, just south of 23 mile road.

Although there is no entrance fee for this museum, the club will be giving a hundred dollar donation to Stahl's. Stahl's is a privately owned non-profit. Every contribution, large or small, helps them continue to share the magic of the past through educational programming, special events, and unforgettable visitor experiences. In addition, the Stahl's foundation uses the donations to support Michigan Veterans and Children with Autism. If you would like to make an additional donation, there is a donation box in the lobby.

This outing is a perfect opportunity to fulfill several of our challenge topics. So as you tour the museums, keep in mind these photo challenge topics: Car Details, Throw back to years ago, Initials of last name, MUSIC, or any of the Compositional Rules.

Handheld photography is permitted. Tripods, monopods, and selfie sticks are not permitted at any time. Photos can only be used for personal use and cannot be sold in any manner.

Large or oversized backpacks, camera bags, purses, umbrellas, and other similar items are not permitted on the floor. This allows more accessibility to the cars without accidentally scratching them.

Saturday, February 7, Stahl's Automotive Museum, 56516 North Bay Dr., Chesterfield, MI 48051

- Arrive between 11 am and 1 pm.
- Take photos in the main museum
